Angela Adams
 They are desperate. They are running ads in my feed for merch. Lots of angry emojis and I keep posting an emoji one that I stand with Paul. They keep posting my comments along with others.

We are sailing through a bitter storm that we have not endured during the entire history of Sea Shepherd. This is a storm that is not generated by the planet, but by enemies within. We will sail through it, as we always have, but we need your help NOW more than ever. Join us TODAY!
 as we enter the future of #seashepherd

NO REBRANDING
 They wanted to change who we are, what we do and how we do it. They wanted to rebrand Sea Shepherds. That's not going to happen. Stay tuned for the return of *Seahawk*.
